### Concurrent Program Descriptions & Locations

From 11:30-4:00, a variety of programs will run concurrently. We encourage you to build your own schedule and attend activities that most interest you.

#### BROWN SCHOOL TOURS (60 MINUTES) | Depart from Goldfarb Commons
Accessible tours of the Brown School’s “campus within a campus.”

#### WASHU CAMPUS TOURS (90 MINUTES) | Depart from Goldfarb Commons
Accessible tours of the Danforth Campus and Sumers Rec Center.

#### MICRO, MEZZO & MACRO APPROACHES TO PRACTICE | Goldfarb 132
Faculty-led sessions exploring how our MSW curriculum prepares students for a breadth of careers, including clinical, direct practice, mezzo- and macro-level policy-level impact.

#### MPH SPECIALIZATIONS | Hillman 200
Meet the faculty at the helm of each MPH Specialization, and learn more about each specialization’s unique offerings.

#### CURIOUS ABOUT OUR DUAL DEGREES? | Goldfarb 132
A conversation for those admitted into MSW or MPH program and curious about our dual-degrees: MSW/MPH, MSW/MSP and MPH/MSP.

#### SYSTEMS THINKING & GROUP MODEL BUILDING, presented by the Social System Design Lab (SSDL) | Goldfarb 33
A participatory demonstration that introduces the group model building techniques used by the School to creatively engage complex issues. Led by researchers from the SSDL, you’ll leave with new insight to this innovative approach to solution-building.

#### COMMUNICATION LAB & STAT LAB OPEN HOUSE | Brown Hall, Third Floor
Drop-in to learn more about these labs, and the unique resources they provide for students, including guidance in projects based in public speaking, written analysis, as well as quantitative analysis.
