7464 Whitehaven Dr., St. Louis, MO 63123

---

## EDUCATION

### **Saint Louis University, School of Public Policy**

Doctorate, Public Policy and Analysis, March 2011

Dissertation: *Policy Processes and Networks: An examination of secondhand smoke policy diffusion throughout the Kansas City Area*

### **University of Kansas, School of Public Health**

Masters in Public Health (MPH), May 2003

Dissertation: *Pap test adherence among Native American and Hispanic Populations: A Pilot Study*

---

## PROFESSIONAL EXPERIENCE

- July 2017 – Present      **Assistant Professor in Practice**  
*Brown School of Social Work, Washington University in St. Louis*  
Lead and develop policy related courses and provide leadership on policy curricula and course development, and lead and develop policy specific research as principal investigator.
- July 2016- Present      **Clark Fox Senior Scholar in Policy**  
*Brown School of Social Work, Washington University in St. Louis*  
Provide leadership on health and social welfare policy-related curricula and training, inform program development for the Clark Fox Policy Institute, lead research and evaluation projects as principal investigator, and design new research proposals.
- Sept. 2015- August 2016      **Science and Technology Legislative Fellow, Office of Senator Kirsten Gillibrand**  
*AAAS Congressional Fellowship Program (sponsored by American Public Health Association)*  
Serve as public health policy scientist to review and analyze current policy, determine areas for improvement and brainstorm innovative policy strategies for addressing complicated public health issues specifically related to childhood wellbeing, general health, and childhood nutrition. Responsible for crafting letters to federal agencies outlining public health policy concerns and engaging with stakeholders to communicate legislative priorities.
- July 2013- July 2016      **Assistant Research Professor**  
*Brown School of Social Work, Washington University in St. Louis*  
Lead research and evaluation projects as principal investigator, design new research proposals, and provide leadership on strategic operation for two research centers.
- August 2011- Sept. 2014      **Associate Director and Senior Scientist**  
*Center for Public Health Systems Science, Washington University in St. Louis*  
Directed Center research and evaluation portfolio (approx. 3.5 million/year), developed Center strategic plan, and supervised administrative activities including human resources, financial, and operational activities. Also, served as a liaison between Center, funding agencies, and affiliate faculty.
- June 2008 – August 2011      **Center Research Manager**  
*Center for Public Health Systems Science, Washington University in St. Louis*  
Led research and evaluation projects and worked to expand the Center's research portfolio in accordance with the Center's strategic plan by identifying research funding opportunities, developing grant proposals, and leading grant proposal teams. I designed and presented evidence-based policy strategy recommendations to policymakers and policy advocates.
- April 2006 – June 2008      **Director of Operations**  
*Institutional Review Board, Saint Louis University*  
Directed and enhanced the overall operation of the Board by developing new review policies and procedures, developing a new revenue-generating system, and facilitating communication between principal investigators, other University compliance departments, external organizations, and the community
- Dec. 2004 – April 2006      **Community Health Coordinator – Nutrition and Immunization Programs**  
*Monterey County, California Health Department, Salinas, CA*  
Coordinated the Immunization and Nutrition Programs as lead staff, directing the design, implementation, and evaluation of the program, and administration of the program budget.
- Sept. 2003 – Oct. 2004      **Program Manager & Region VII Infertility Prevention Project Coordinator**  
*Development Systems, Inc., Kansas City, MO*  
Coordinated the Centers for Disease Control Region VII Infertility Prevention Project as lead staff, preparing regional infrastructure and budgetary plans, and acting as a liaison between federal and state partners
-

## GRANTS AND CONTRACTS

---

Principal Investigator, Examining Program Sustainability, National Institutes for Health, National Cancer Institute, (1R01CA203844-01) \$477,000/year	08/2/2017 – 07/30/2021
Co- Investigator, Mis-Implementation in Cancer Prevention and Control National Institutes for Health, National Cancer Institute ( <u>R01CA214530</u> )	04/01/2017 - 3/30/2022
Co- Investigator, Health Impact Assessment of STL Metrorail expansion Missouri Foundation for Health, Reis (PI), 200,000/18 months	04/01/2014 - 5/30/2019
Principal Evaluator (Consultant work), Safe Food Project Evaluation Pew Charitable Trusts, \$145,000/yr.	08/1/2016 – 07/30/2018
Principal Investigator, Sustainability Tool Kit/User Guide Project Centers for Disease Control and Prevention, \$525,000/yr.	09/28/2012-09/27/2017
Co- Investigator, Missouri Project LAUNCH Vision for Children at Risk, Luke, Kohl (Co-PI)	04/01/2014-9/30/2017
Principal Investigator, Expanding Coverage Initiative Evaluation Missouri Foundation for Health \$250,000/yr.	09/01/2014-10/31/2016
Co- Investigator, Maximizing State and Local Policies to Restrict Tobacco Marketing at Point of Sale Study National Cancer Institute (U01 CA154281) Ribisl, Luke, Henriksen (Co-PI) \$375,000/yr.	09/01/2011-07/31/2016
Principal Investigator, Product Display Study Pilot Study National Cancer Institute (U01 CA154281) \$33,000/yr.	07/01/2014-06/31/2015
Principal Investigator, Healthy & Active Initiative Evaluation, Missouri Foundation for Health, \$175,000/yr.	07/01/2008-12/30/2015
Policy Analyst, CHOICE Project (consultant) Center for Medical Service Award, Madden (PI)	11/01/2014- 10/31/2016
Principal Investigator, CDTR Pilot Award, 25,000/yr. Dissemination and Implementation of Nutrition Policy in Childcare Settings Washington University Center for Diabetes Translation Research (CDTR) Haire-Joshu (PI)	05/01/2012-04/30/2014
Principal Investigator, Social Innovation for Missouri, Missouri Foundation for Health, \$150,000/yr.	07/01/2008-08/28/2014
Principal Investigator, Missouri Tobacco Tax Campaign Evaluation, 25,000/yr. Healthcare Foundation of Greater Kansas City	12/01/2012-07/01/2013
Co-Investigator and Evaluation Lead, External Evaluation of the Institute for Clinical Translational Science Award Washington University Institute of Clinical and Translational Sciences (ICTS) Luke (PI)	06/01/2011–05/31/2014
Principal Investigator, Best Practices User Guides Project Centers for Disease Control and Prevention	06/15/2011-09/15/2012
Co-Investigator, Communities Putting Prevention to Work External Evaluation of the Community Putting Prevention to Work Initiative St. Louis County Department of Health, Luke (PI)	02/28/2009-07/17/2012

## TEACHING EXPERIENCE

---

LEAD INSTRUCTOR as faculty at Washington University and Saint Louis University

- Advanced Policy Analysis, Fall 2018, Fall 2019, Washington University
- Health Impact Assessment, Global Course in Australia, Spring 2018, Washington University
- TPS: Policymaking, Advocacy and Analysis, Fall 2017, Spring 2018, Spring 2019, Washington University
- Policy and Services for Children and Families, Fall 2016, Spring 2017, Fall 2017, Spring 2019, Washington University
- Health Administration and Policy, Fall 2016, Washington University
- Healthcare Policy Implementation, Spring 2015, Washington University
- Politics and the Policy Process, Spring 2014, Washington University
- TPS:Tobacco Control Policy, Fall 2011 and 2012, Washington University
- Program Evaluation, Fall 2011, Fall 2012, Summer 2013, Fall 2013, Summer 2014, Fall 2014, Saint Louis University

GUEST LECTURES as faculty at Washington University and Saint Louis University

- Use of policy theory in public health intervention design and research, Washington University
- A to Zika: Sharing experience on how to work with legislators, Washington University
- Introduction to Policy Dissemination and Implementation, Washington University

- Nutrition Policies and Effects on Childhood Obesity, Washington University
  - Evaluating Tobacco Control Policies, Washington University
- ADJUNCT and GUEST APPOINTMENTS
- Saint Louis University, Center for Outcomes Research, May 2012 – Fall 2018
  - University of North Carolina, Gillings School of Public Health, May 2013-May 2016
  - Guest Faculty member, NIH Training Institute for Dissemination and Implementation Research in Health, June 2013
